Registration Fees*

As part of The Singing Network, we are committed to helping build community and a network of singers and those interested in singing and song. The registration fees below demonstrate our effort to provide as many scholarly as well as social/cultural gatherings through which to meet, share, and enjoy each other's perspectives and experiences. On top of all the philosophical and pedagogical reasons, it's our nature in Newfoundland and Labrador to be hospitable and welcoming to all our guests!

The full delegate/presenter fee, therefore, includes not only all presentations (sessions, workshops, performances) but also an opening reception, nutrition breaks, and a closing luncheon.

- Opening Reception (wine and cheese)
- Closing Luncheon
