

PRACTICAL PEDAGOGY

The singer's voice and how to use it!

Voice teachers and choral conductors! Come and explore a full-day professional development workshop that explores the practical and healthy use of our voices. This one-day seminar will be facilitated by Dr. Jane Leibel and Dr. Caroline Schiller, professors of voice, Memorial University School of Music.

Topics will include, *Bodies and Breath* and *Singing and the "Mature" Voice*. Also included will be a special topics seminar on working specifically with *boy's changing voices*, presented by doctoral research assistant, Jennifer Beynon-Martinec.
